WonderLab will email a detailed enrollment confirmation letter, or a notice that the child has been placed on a wait list, within one week of receipt of form(s).

**DAILY ROUTINE**
All camps involve extensive hands-on science activities. Campers have many opportunities to collaborate in small groups and explore independently.

Activities may take place indoors and outdoors, as appropriate. Each camp includes a break for a provided snack. Camps include a recess period on the playground, or, if the weather is inclement, an inside break from concentrated activities. Campers bring their own lunches and beverages (WonderLab encourages reusable water bottles).

Camps at Hilltop Garden and Kent Farm will have much outside time. Camps at WTIU and BCS include regular outdoor walks. Campers should come dressed appropriately and take into account precipitation, sun, temperature, and insects.

**BEFORE & AFTER CHILD CARE**
Supervised care with drawing, reading, and board games is available. No snacks provided. This option is included in all camps at no additional charge. Times: 8 - 9 a.m. and 4 - 5 p.m.
